Little League All-Star Basketball Games to be Played March 10

Again this year, the Appomattox Junior Woman's Club is sponsoring three Little League All-Star Basketball Games on Saturday night March 10. The games will be played at the Appomattox County High School Gym. First game time will be 6:30 p.m. and the others will follow thereafter. Admission will be $1.00 for adults, $.50 for school age, and free for children under five (5). All proceeds from these games will help pay the campership fee of an Appomattox County youth to Camp Easter Seal West for a four week Speech Therapy Session this summer. Camp Easter Seal West is presently one of two camps in Virginia that offers programs for all types of physical handicaps, the mentally, retarded, and the emotionally disturbed. A prime objective of Camp Easter Seal is to stimulate an awareness of abilities instead of disabilities. The camp is located in Craig County in the heart of the Blue Ridge Mountains near Fincastle. Camp Easter Seal is co-sponsored by the Virginia Easter Seal Society and the Junior Clubs of the Virginia Federation of Women's Clubs.

It is the hope of the Jr. Woman's Club that everyone will come out along with their families and enjoy an evening of exciting and excellent recreational activity demonstrated by the youth of Appomattox County as well as support a worthy cause.

House of Delegates Comments

By Claude W. Anderson

This, the final day of the 1979 General Assembly is still quite full as we wait for conference committee reports and final legislation.

The year's major casualties include the ERA, a one year postponement of the reapportionment now set for 1981, elimination of multi-member House districts, statewide permits for hand gun ownership, and tobacco taxes.

But much legislation was passed. Final action on the Rescue Squad bill saw an amended version finally pass both Houses. The bill places final authority in the State Board of Health. If Volunteer Rescue Squads want an exemption, they apply to their local government body and then the Health Department reviews the local body's ruling and acts accordingly, except in extreme cases.

The House of Delegates passed a revision of the state's marijuana laws, agreeing to reduce the maximum jail term for first time offenders from 12 months to 30 days and a possible $500 fine. Approval came on a 46-43 vote.

For the first time in almost 30 years, the House of Delegates has overridden a Governor's veto. The act came when the House overrode Governor Dalton's veto of an optometrist bill, which permits them to use certain drugs. The Senate has not considered the veto and is expected to wait until the session reconvenes on March 3.

Both Houses have approved a measure which regularly gives them the opportunity to consider the Governor's vetoes and amendments. This is through the proposal that would allow the Assembly to reconvene six weeks after adjournment each year to consider the Governor's actions on their legislation. The Governor is expected to sign the bill.

I feel we have had a very productive session and I appreciated your opinions and interests. If you have any questions or concerns about our actions, please call on me. Thank you.

Appomattox DECA Sends Three Students To State

Martin will also serve in a double capacity. Jeff will represent District XVI as their contestant in Automotive and Petroleum. In addition, Jeff will be seeking the office of Central Area Vice President of VA-DECA. Jeff also contributes his success to the fine work experience that he receives at Appomattox Service Center. Jeff is the son of Mr. and Mrs. Bennie R. Martin of Route 3, Appomattox.

VA Questions And Answers

Editor's Note: Following are representative questions answered daily by VA counselors. Full information is available at any VA office.

Q - How long may a "helpless child" receive VA pension benefits?

A - Children who become permanently incapable of self-support because of a mental or physical defect before attaining age 18 are entitled to receive benefits as long as the condition exists or until they marry.

Q - In 1948 I bought a National Service Life Insurance "V" policy with a $5,000 face value. Can I add an additional $5,000 worth of coverage?

A - No. You may elect to use your annual dividends to buy paid-up additions. The amount of additional insurance you may buy depends upon your age and the amount of your dividend.

Q - I am a veteran attending school under the GI Bill. I plan to marry a widow with two children. Will I be eligible for additional education benefits based on these stepchildren?

A - Yes. Unmarried stepchildren living with the veteran are considered dependents of the veteran until their 18th birthday, or if enrolled in a VA approved course of study until their 23rd birthday.

On the highway, a basic problem is the excessive drinker, not the moderate social drinker. Of course, it's best not to drink at all before driving, but since many people do, the Distilled Spirits Council of the United States advises that you know your limits, as well as the speed limit, and stay well within both.

The first power-model dishwasher was developed by Mrs. W. A. Cockran of Shelbyville, Indiana, and completed in 1889.
